

Daily Point: Jesus chose to die for me

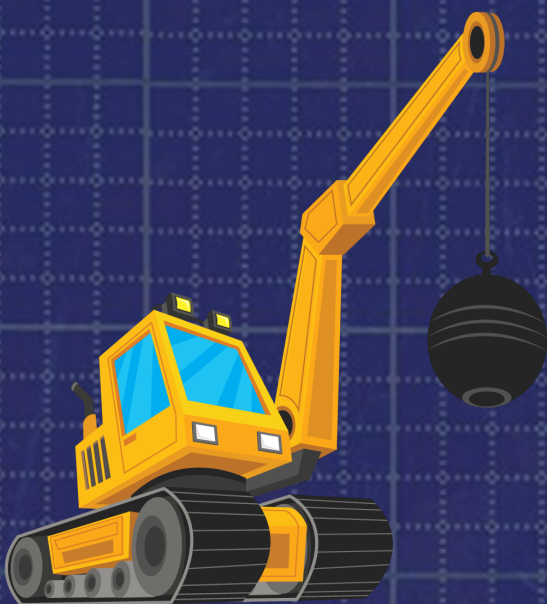

Daily Story: Jesus prayed in the garden (Matthew 26:36-46)

Daily Verse: John 15:13

Foundation of Worth

God loves us so much that He couldn't imagine spending eternity without us. So He chose to give up everything by dying on the cross to save you from sin. You mean more to Jesus than His own comfort or safety. That's how special you are. That's how much you matter.

He who started a good work in you will carry it to completion. Philippians 1:6
