

SUPPORT YOUR SCHOOL LIBRARY

Fall "Giving Back" Book Drive!

Did you know?

- Mrs. Pyke has spent the past year weeding out thousands of old books, some over 50 years old!
- Our wonderful librarian is eager to increase our catalog to include:
 - the latest from kid's favorite authors (Dave Pilkey, Jory John, Ryan T. Higgins, etc)
 - represent diverse groups of people!
 - encourage STEM!
 - update our Non-Fiction section, especially when it comes to the Sciences!

How has PTO helped?

- PTO recently reviewed an investment of \$4,000 to help grow the quality of our library, which includes book purchasing and covering supplies to protect these books from little hands!

How can YOU ALSO HELP?

- clean out your home library, bring to school your retired books! ALL BOOKS welcome, Mrs. Pyke will pick what is the best fit!
- donate to PTO, 100% of your " Book Drive" funds will go directly back into the library for new and used books!
